QUOTE

With reference to the current situation concerning the COVID-19 pandemic, the Company informs its bondholders and stakeholders that DIZZ Group is taking all necessary measures within its control with the aim of mitigating the negative effects that the said pandemic is having on its business and operations.

Utmost priority is being given by DIZZ Group to the wellbeing of its employees and customers. DIZZ Group is implementing proactive measures in the interest of the Group's business, whilst the executive management team is constantly monitoring the situation in preparation of any actions that may need to be taken to further mitigate the negative impact on the Group's business. All directives issued by the competent authorities have been rigorously abided by and will continue to be abided by the Group.

An estimate of the impact of the said pandemic on the Group's financial performance for the current year is premature at this stage, however the Group is constantly monitoring all aspects of its operations and financial performance so that details regarding the Group's future expectations will be made available through company announcements as soon as an element of certainty and stability returns across the local market.
